

A flexible identifier which will unite all our festive promotion in 2022.

STYLE OPTIONS: To complement your design style and layout, there are five versions of the identifier to choose from -

[we will provide a range of logos to suit print and digital applications]

POSITION & SCALE: The identifier should be placed in your print and digital designs in a position which complements your artwork. There is no minimum size, or preferred location but the identifier must be prominent and appear as an integrated element of the overall design. Please also ensure a clear space around the identifier.
