WE SAY, DON'T JUST MEET OTHER BUSINESSES, COMPETE AGAINST THEM.

We know that businesses nowadays have gotta do more than just 'do business'. You guys have to engage with other business, network and get yourself out there. Our sessions are designed to achieve exactly that, but with a little more umph and purpose to it. You also gotta find ways to engage your staff, help them shake off stress and keep their relationship with work positive. Staff welfare is high up on the list for businesses as we all rely on our workforces to keep it all going. Another benefit of our networking sessions achieves exactly that. Axe throwing helps reduce stress and helps with team bonding.

FORGET THE SMALL TALK LET THE GAMES BEGIN!

If there is one thing we know, its that traditional networking is **BORING**. Who wants to stand around making small-talk with other businesses, while your mind is thinking "I wish I was doing something exciting right now". Well we got your back. We say, don't just meet other businesses, compete against them!

So how do the sessions work?

5:30 PM

Everyone will sign a waiver, and go through our safety brief, just to make sure any newbies are covered. Then you will be allocated your lane. If you have any requests, don't forget to let us know.

Each company gets a team of 4 throwers, these can be different every month. There is an opportunity while all the teams arrive to check out the competition, meet some of the competitors and kick off any relationships you might want to revisit later.

Once you are on your lane, you will be shown how to throw and given some practice time to get to grips with it. You can explore the games on our Interactive Smart Lanes and compete within your team as a warm up.

Your first soft drink is on us, it's part of your entry fee. So choose something non-alcoholic to keep you hydrated through the competition.

6:30 PM

Team scores will be added to the running league boards. Don't worry though, you'll have another opportunity to beat it next month. Check out the leagues boards to see your company's position in the competition.

LET THE GAMES BEGIN!

Each team will compete in a series of structured competitions coordinated by our in house instructors. Your scores will go on the score board as we start to find the best throwers in the venue!

8:00 PM

All teams get together in the front of the venue & the bar is opened for alcoholic drinks. This gives you an opportunity to talk to other businesses and teams, set up meetings, exchange business cards and generally work the room. No need for awkward small talk, the axe throwing competitions are an excellent starting point for your conversation. And if you decide to set up a first meeting with a new connection back on the lanes, we can offer you a discount on your next business meeting.

9:00 PM

WHAT IS IT WORKING TOWARDS?

THERE ARE 6 SESSIONS PER SEASON. EACH SESSION YOU ATTEND, YOUR SCORES WILL BE ADDED TO THE LEAGUE BOARDS. AT THE END OF THE SEASON, THE TEAM WITH THE MOST POINTS WILL WIN THE LEAGUE.

WINNERS WILL BE ANNOUNCED ALONGSIDE THE END OF SEASON TOURNAMENT. THE PRIZES ARE;

1ST PRIZE - A CHUCKTOWN PACKAGE FOR UP TO 20 PEOPLE, BRANDED T-SHIRTS FOR THE 4 WINNERS

2ND PRIZE - A SINKING STEEL PACKAGE FOR UP TO 12 PEOPLE

CORPORATE LEAGUES

HOW DO I BOOK

Email Nottingham@axedglobal.com and we will send you a form to fill out. Remember your first session is free!

IS THERE FOOD AVAILABLE?

We are working with our pizza partners canotto to deliver fresh Neapolitan pizza straight to your lane. Ask us for an order form and menu to order pizzas. You must order in advance and must be paid before delivery.

IS THERE A DRESS CODE?

Remember this isn't your average networking event. Please come comfortably dressed, in closed toe, flat shoes. You will be active throughout the session, so loosen the work tie and ditch the briefcase.

CAN MY TEAM CHANGE?

Teams consist of 4 throwers, that can be a different 4 people each time you book to attend a session if you want. Just make sure they have all the information about the session, to represent your company in the competitions. And if one month you cant find 4 players to attend, there is no reduction in price but we will use a team average to make sure scores are kept fair across the competitions.

DO I PAY UPFRONT?

You can pay per session in advance of coming, or pay annually for the whole year.
