

NOTTINGHAM SKILLS ACADEMY

WOMEN IN CONSTRUCTION TASTER EVENT

THURSDAY 14 NOVEMBER 2023

Welcome to Skills Academies

Nottingham Skills Academy is offering women over the age of 19 the opportunity to sample our FREE Construction Crafts courses. The taster events are designed for those considering a career change or wanting to develop new skills and grow in confidence.

Learn

Get an insight into the careers and training available in the construction industry during this hands-on taster event

Practice

Try out different construction trades including bricklaying, joinery, and painting & decorating in our academy workshops

Apply

Get a feel for what it's like to work in construction and pick up some home decorating and DIY tips along the way!

Skills Academies have centres in Rotherham, Sheffield, Nottingham, Derby, Worksop, and now Doncaster, all offering opportunities for people looking to get back into work and increase their employability. We pride ourselves on supporting the journey from start to finish, and look forward to welcoming you through our academy doors.

Misconceptions about gender-specific roles are gradually diminishing with a growing number of women choosing a career in construction and engineering.

With so many rewards and benefits of working in the industry, there's plenty of room for career progression and skill development, so it's an industry well worth looking into.
