

Discounts available

VisitEngland and AccessAble are dedicated to helping as many businesses and venues as possible benefit from available discounts. Due to a limited budget, discounts are granted on a first-come, first-served basis.

Discounts only apply to tourism and hospitality businesses and venues located in England.

Micro and small businesses and venues

VisitEngland and AccessAble are match funding Guided Assessments for micro and SME businesses and venues. Business and venue types that are eligible are illustrated in the table below. Eligible businesses and venues are able to get a Guided Assessment for just £1 + VAT.

This match-funding is provided on a first-come, first-served basis and will be withdrawn once the maximum budget has been reached.

Please note that this funding is only available for one venue that you own e.g. if you own 3 self-catering cottages, this discount can only apply to one. If you wish to purchase a Detailed Access Guide for more than one unit, contact AccessAble for a bespoke quotation. They will be able to let you know of any other available discounts.

If you would like to commission an On-Site Assessment the discounts explained later will apply.
