Team Nottingham 2025 Sponsorship Packages

Become part of Team Nottingham at UKREiif 2025 and join is in promoting Nottingham & Nottinghamshire as the best place to invest.

Nottingham at UKREiiF

Invest in Nottingham has led Nottingham & Nottinghamshire's presence at UKREiiF since its inception in 2022, promoting key investment sites across the region that are ready to be unlocked for development.

2025 will be our fourth year promoting Nottingham and Nottinghamshire as an investment destination to developers and investors, and flying the flag for our region.

We coordinate the private and public sector, working with Nottingham City Council, Nottinghamshire County Council and the East Midlands Combined County Authority, and over 30 private organisations to ensure Nottingham is represented at every level, providing place marketing for the region.

About Invest in Nottingham

The Invest in Nottingham team has a strategic aim to secure new investment and create employment for the people in Nottingham and Nottinghamshire. This is achieved through marketing of the city and its surrounds, targeting key markets and sectors, and the provision of a bespoke, free and confidential package of advice and assistance for potential investors.

Invest in Nottingham is part of Marketing Nottingham and Nottinghamshire, the official place marketing organisation for the region. We're here to help grow the economy, attract business and leisure visitors, drive inward investment, increase employment and support local businesses.

About UKREiiF

UKREiiF is the UK's leading event within the real estate, property and infrastructure sectors. The event aims to connect people, places and businesses to drive sustainable and inclusive investment - regenerating towns and driving development which in turn have a positive impact on communities, economic growth and prosperity.
